RE: *US v. Ajemian, et al.*, 11 Cr. 1091 (VM)

Dear Judge Marrero:

In order to coordinate the motions among some 20 defense counsel, reduce the overall number thereof and streamline their presentation to the Court, all of the defendants herein respectfully request that their time to file pre-trial motions in the above-captioned matter be extended for a period of one week, up to and including September 14, 2012.

I am authorized to state that the Government has consented to this extension on condition that we consent to the Government's being granted a corresponding one-week extension of its time to file answering papers, to which extension we do hereby consent.

Respectfully,

A handwritten signature of Thomas E. Engel.
